

mbd OS Silicon Partner Workshop Wrap-up

Samuel Taylor – Director of Engineering, Cambridge
Mihail Stoyanov – Partner Enablement Lead

Silicon Partner Workshop - Wyboston Lakes
March 2017

Do you know what week number it is?

- **17wk13**

Do you know how old mbed OS 5 is?

- **1 year old today, it was born in 16wk13**

What happened 1 year ago today?

- **We took 20 people, locked them in a hotel and didn't let them out until they finished coding...**

Sound familiar?

The project was called
Morpheus

A composite image featuring the White House at night. The building is illuminated with warm yellow light from its windows. A green digital rain effect, reminiscent of the Matrix, is overlaid on the lower half of the image. In the bottom right corner, a man in a dark trench coat and sunglasses is shown holding a handgun. The text "Take the red pill - June 2016" is written in a stylized, glowing font across the middle of the image.

Take the red pill - June 2016

And the food?

It was worse!

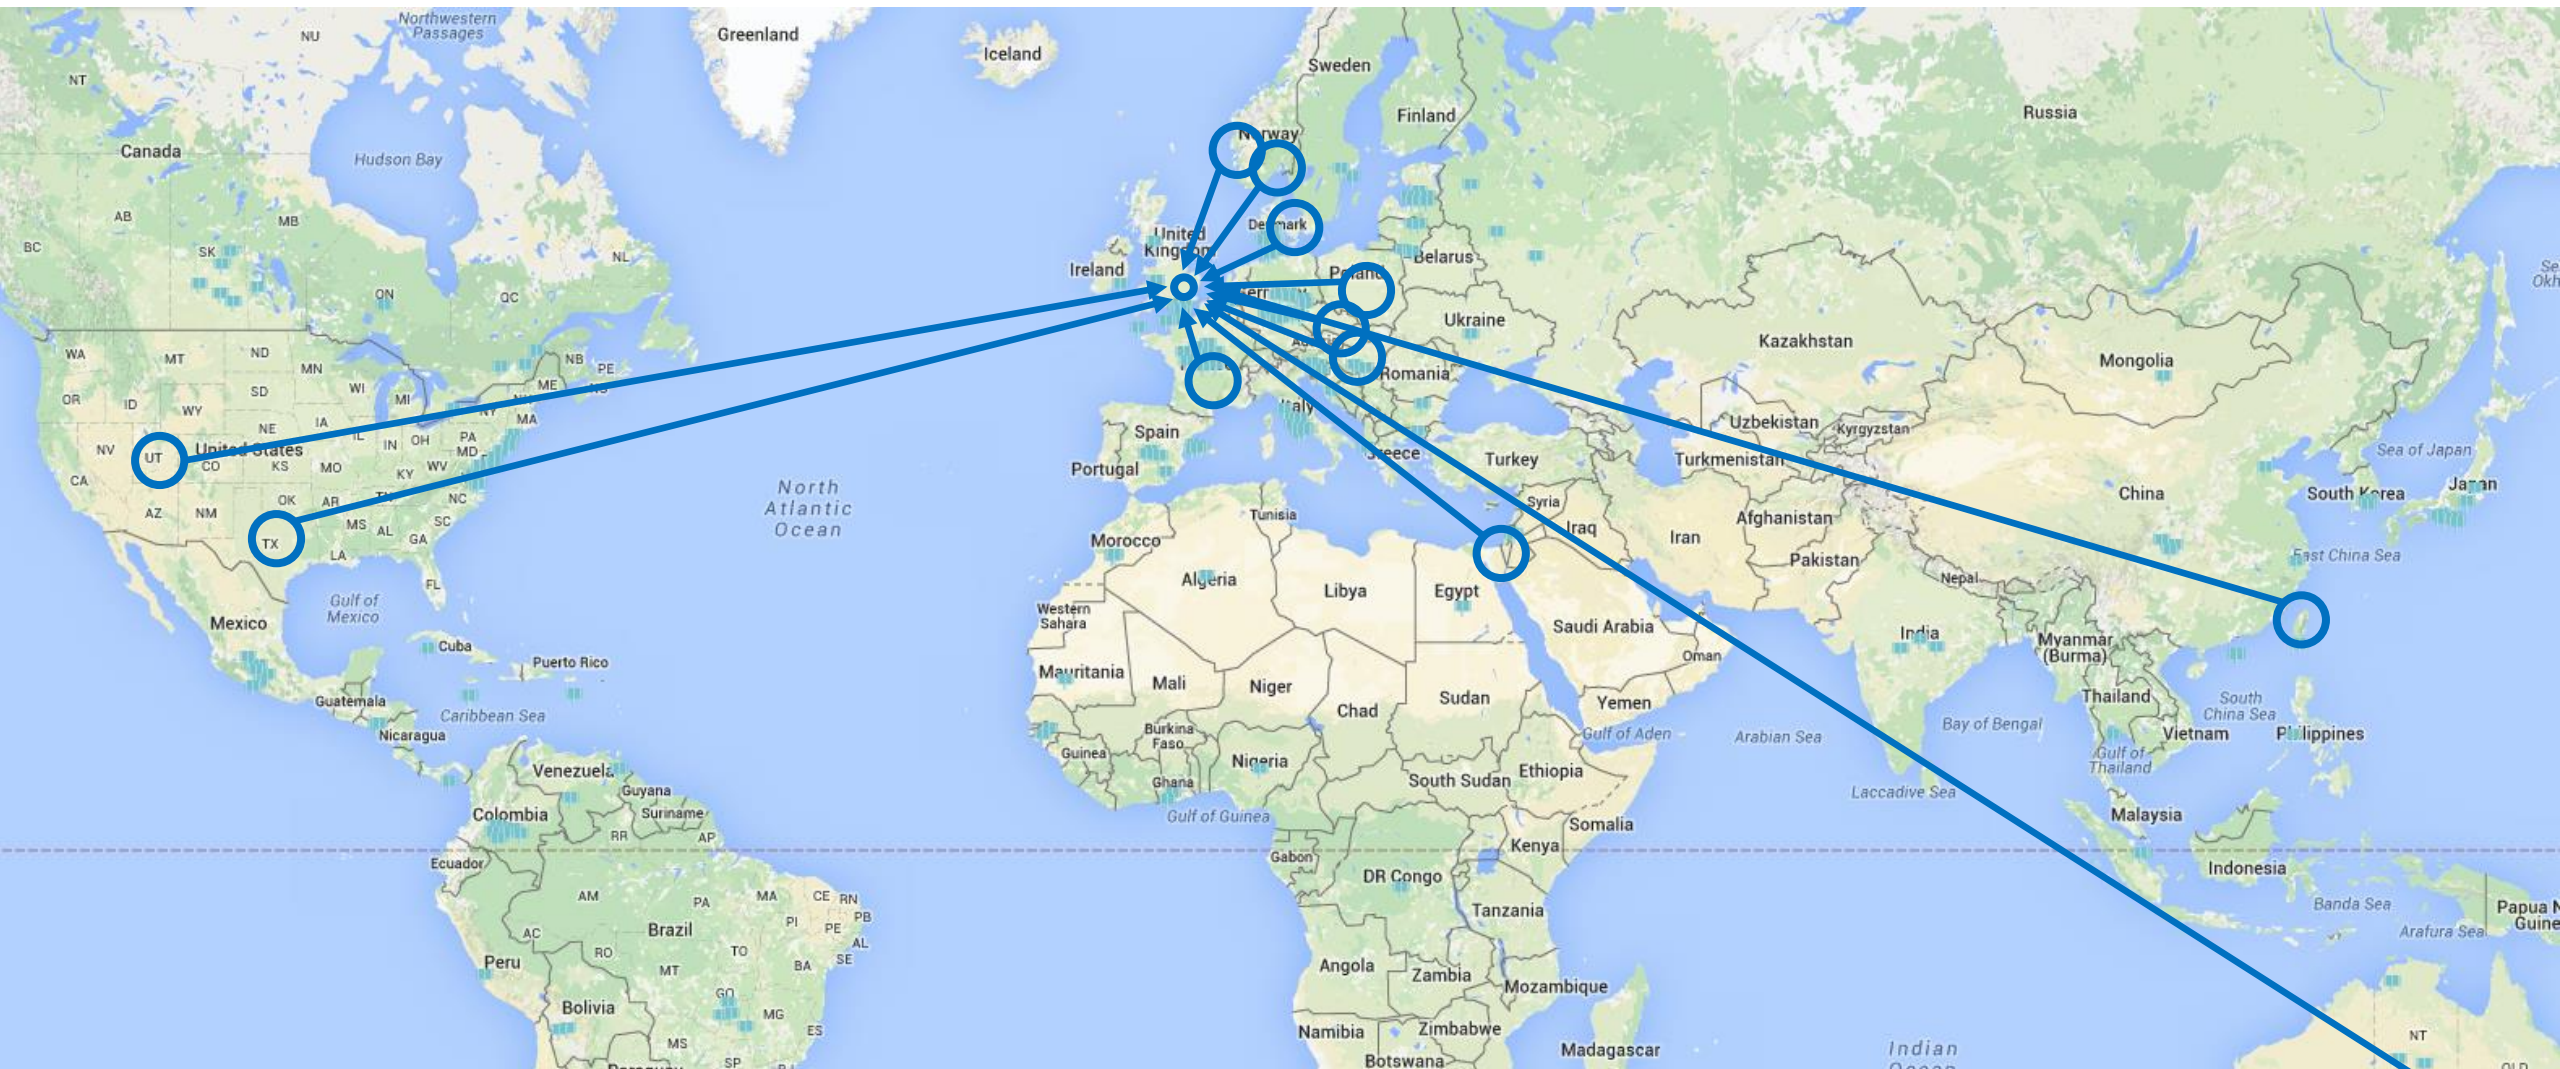

What we learnt

Focus. Step outside the office, turn the email off.

Nothing beats working together face to face
